2021 is the year of climate action. The world is at a tipping point as the climate crisis worsens – real climate solutions and commitments by countries and companies can no longer wait. It's time for a **#ClimateRevolution**.

Join our two-day virtual event alongside a global roster of influential allies, climate activists, and political voices to see how you can get involved in securing a Climate Revolution. Together we'll dive deep into the drivers of the climate crisis and discuss inspiring and innovative solutions needed to protect people and the planet.

**Day 1**  
Wed, June 16 2021

## Discussion topics include:

**Greenwashing:** Who owns the truth? How companies spread climate disinformation and mislead the public about their true climate harms.

**Financing of climate-wrecking industries and projects:** Where our money goes and who is financing climate-destroying projects around the world.

## Expert contributors include:

**ALEXANDRIA VILLASEÑOR**, Climate Justice Activist and Founder of Earth Uprising

**US SENATOR SHELDON WHITEHOUSE**

**US SENATOR ED MARKEY**

**TARIQ FANCY**, Founder/CEO, The Rumie Initiative; fmr Chief Investment Officer for Sustainable Investing BlackRock

**SAMANTHA KUMAN**, Advocacy Officer at Centre for Environmental Law & Community Rights Inc. (Papua New Guinea)

**JAMIE HENN**, Founder of Fossil Free Media, climate activist and strategist

**SEEMA JOSHI**,

Director of Campaigns at Global Witness

**ADAM MCGIBBON**,

UK Campaign Lead at Market Forces

**ZORKA MILIN**,

Senior Advisor at Global Witness

**DR GEOFFREY SUPRAM**,

Research Fellow at Harvard University

# Day 2

Thurs, June 17 2021

## Discussion topics include:

NNIMMO  
BASSEY

VANESSA  
NAKATE

ALOK  
SHARMA

**Cleaner, greener politics:** How to curb the political influence of climate-destroying industries to ensure politicians work in the public interest.

**Collective action:** How coalitions and movements hold the powerful to account and take back the climate fight.

## Expert contributors include:

**RT HON ALOK SHARMA MP**, COP26  
President Designate, UK Government

**EVELYN ACHAM**,  
Climate Activist from Uganda

**NNIMMO BASSEY**, Environmental Justice  
Campaigner in Nigeria, Architect and Poet
